Last week: Our best step in turning down the “inside noise”-

“Don’t just _____ to yourself, _____ to yourself!”
Psalm 42

Look at how the psalmist now deals with the “outside voices” in the next chapter:

1. He _____ the noise. (Psalm 43:1,2)
2. Based on that filter, he asks for wisdom to _____
the _____ voices. (43:3,4)

The 2nd step to turning down the volume in our lives:

Find the _____ that _____ your _____!

What is the biggest enemy to applying this life principle? _____

Here’s how to deal with the distracting noise in your life:
(from “How to Lead in a World of Distractions” by Clay Scroggins)

1. _____ your noise.
2. _____ with it.
3. _____ to what’s left.

The danger of distraction is why it is so important to find

the _____ that _____ your _____!
