

## ***Put out into the deep***

Luke 5:1-11

Today's Big Idea: Following Jesus is an invitation to put out into the deep!

“The deep” can also be an invitation to.....

1. See things differently.
  - a. To see Jesus in His holiness and majesty.
  - b. To see yourself in your sinfulness.
2. To overcome your fear.
3. To discover your purpose.  
Notice 3 powerful words in verse 10 – “..... from now on.....”

The Deep. A place where.....

Miracles are experienced.

Fears are faced.

Sight is corrected.

Purpose and mission are found.

When He had finished speaking, He said to Simon, “Put out into the deep water and let down your nets for a catch”. (Luke 5: 4)
